SERVICE CONFIRMATION LETTER

This is to certify that Mr. Ekanayaka Mudiyanseelage Gavindu Rushela Ekanayaka, holder of National Identity Card No. 200310800652, residing at 91/2, Methsuwi, Mandapola, Mandapola, Sri Lanka, was engaged at Prosper Global Education (Pvt) Ltd as a Software Engineer – Intern during the period from 18 August 2025 to 28 January 2026.

During his engagement, Mr. Ekanayaka was attached to the software engineering function and participated in assigned development and system-related tasks as part of the organization's internship program. He carried out his responsibilities under guidance and supervision while working alongside senior team members in a structured development environment.

His work covered, but was not limited to:

- Assisting with frontend and backend development using modern TypeScript frameworks
- Supporting the development and refactoring of reusable UI components
- Contributing to the implementation and maintenance of REST APIs
- Assisting with database integration and schema-related tasks
- Participating in debugging activities, performance reviews, and issue resolution
- Applying standard software engineering practices, including version control, code reviews, and testing, as part of the development workflow
- Working collaboratively with senior engineers and relevant stakeholders within an agile development environment

The internship engagement was concluded in line with evolving organizational and project requirements. The student was formally notified, and the completion of the internship was handled in accordance with organizational policies, including payment in lieu of notice.

This service letter is issued upon his request to confirm the period of his engagement, role, and association with Prosper Global Education (Pvt) Ltd for general reference purposes.
